## Tabela Destinos no Banco de Dados

The screenshot shows the Microsoft SQL Server Enterprise Manager interface. The left pane displays the 'Pesquisador de Objetos' (Object Explorer) with the 'LuanLimaMinhaBouViagem' database selected. The right pane shows the 'SQLQuery1.sql' script with the query `select * from Destinos`. The bottom pane displays the results of the query, showing a single record from the 'Destinos' table.

DestinoId	CPF	Cidade	UF	Valor	Hotel	Embarque	Desembarque	Parcelas	Pessoas	
1	2	10001	Fortaleza	CE	2090	Marea Calmos	2021-12-22 13:37:00.0000000	2021-12-24 13:37:00.0000000	2	2

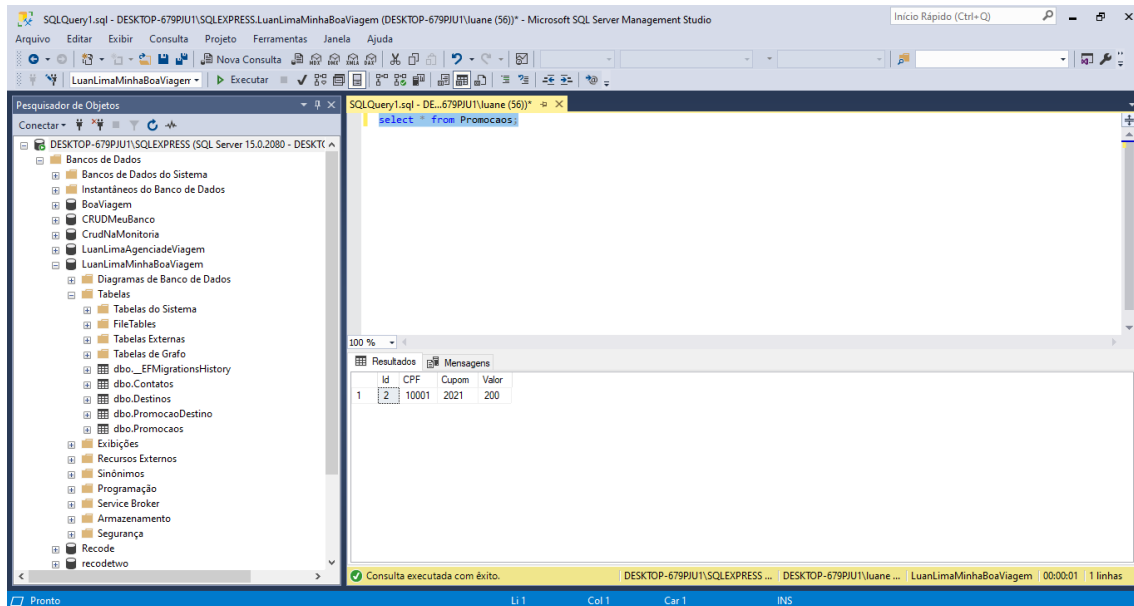

## Cadastro na Aba Promoção

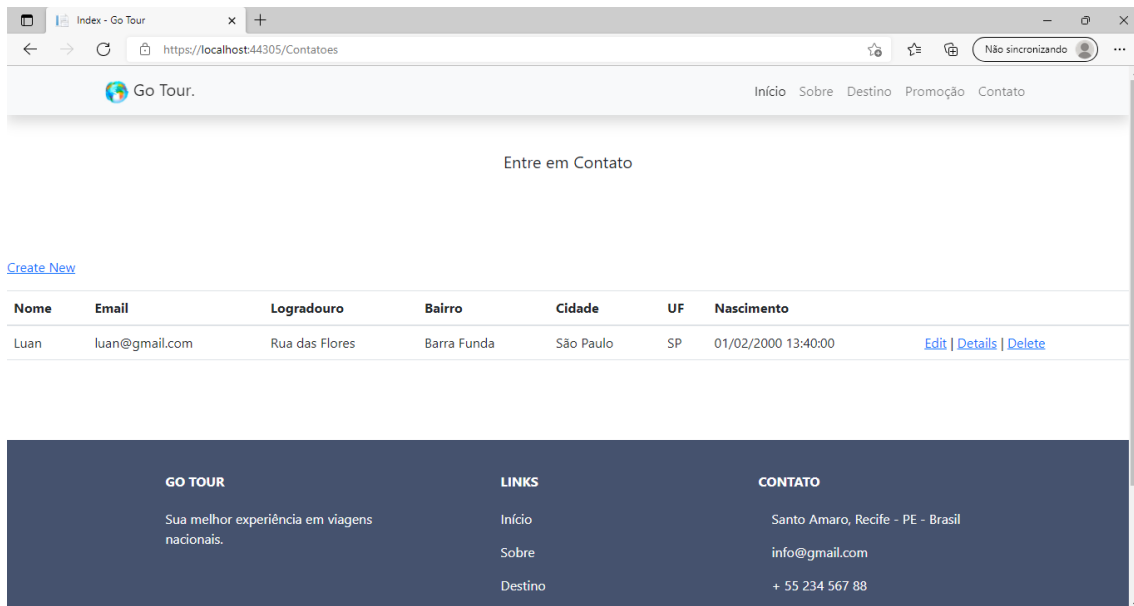

The screenshot shows the 'Go Tour' web application interface. The top navigation bar includes links for 'Início', 'Sobre', 'Destino', 'Promoção', and 'Contato'. The main content area displays the text 'Insira a Promoção' and a 'Create New' link. Below this, a table lists existing promotions with columns for 'CPF', 'Cupom', and 'Valor'. The table contains one record with CPF 10001, Cupom 2021, and Valor 200. The bottom of the page features a dark blue footer with contact information for 'GO TOUR'.

CPF	Cupom	Valor	
10001	2021	200	<a href="#">Edit</a>   <a href="#">Details</a>   <a href="#">Delete</a>
